# *Clos Galena*

Clos Galena is the dream come true of its founder Miguel Pérez, passionate about the world of wine, a passion that he passed on to his wife Merche Dalmau.

When they discovered the Priorat they fell in love with the territory and it was here that the dream became a reality, building a sustainable and ecological winery, thus shaping a landscape that lives around the important spirituality that the Priorat exudes.

## Clos Galena

Organic red wine  
Aged 12 months

40% Garnache  
20% Carignan  
20% Syrah  
20% Cabernet Sauvignon

A wine with an intense cherry colour, almost opaque and highly complex, very elegant and mature. In this wine, we try to extract the full potential of the characteristic Priorat terroir from each vineyard plot, in a separate way to show its own individuality. Its aromatic amplitude stands out, clean and elegant, with a predominance of spices, especially black ones, which blend with the ripe fruit. It also combines minerality with balsamic notes. On the palate, it is a very complex, intense, voluminous and long wine. All this contributes to make this a meaty, fresh and long wine.

## Galena

Organic red wine  
Aged 12 months

35% Garnacha  
15% Carignan  
25% Merlot  
25% Cabernet Sauvignon

A wine with an intense cherry red colour, where we want to express what our territory is. It has an important and ever-present mineral component, which brings freshness. It presents a remarkable aromatic complexity and a great wealth of nuances, where balsamic aromas and ripe black fruits predominate, as well as jams, with light touches of black spices. In the mouth it is very fresh, with a powerful but smooth first attack, with aromas of black spices and minerality.
